

TO: BOARD OF DIRECTORS

FROM: DAN JOHNSTON, DIRECTOR OF ASSESSMENT AND TECHNOLOGY

SUBJECT: CHROMEBOOK PURCHASE

DATE: AUGUST 20, 2019

TYPE: ACTION REQUIRED

On February 13, 2018 , voters approved the School Facilities and Technology levy. One of the technology projects funded by this levy was technology in the classrooms.

One of our goals over the past few years has been to provide technology that is readily accessible by students in the classroom so that it can be integrated with daily instruction. To accomplish this, we have been working to provide a cart of Chromebooks in every core classroom district-wide.

We are seeking approval to purchase 1250 Chromebooks and 50 carts this fall. We are excited to report that this should bring us to our goal by the end of first semester (depending on enrollment).

Recommendation:

We recommend the board move to approve payments totaling \$356,538 for the purchase of Chromebooks and carts.
