## INSTRUCTIONAL SERVICES

Lloy Schaaf

Assistant Superintendent of Teaching and Learning

### MEMORANDUM

**To:** Stanwood-Camano School Board of Directors

**Fr:** Lloy Schaaf, Ed.D.

**Re:** Approval of the Hybrid Learning Model

**Date:** October 6, 2020

Attached, please find a revised version of the hybrid learning model description for the Stanwood-Camano School District that was approved on August 18, 2020. The schedule and description presented on August 18, 2020 are also included. The District and SCEA have worked closely to address and update specific details related to the instructional model as well as instructional supports. As the guidance from OSPI indicates related to reopening schools, there will continue to be review and modifications made to the reopening plan as needed.

**RECOMMENDATION: That the Board approves the revised version of the hybrid learning model.**

Elementary Hybrid Description  
Board Approved on 8/18/2020  
With necessary revisions  
10/6/2020

The school day runs from 9:00-3:30. Students will receive in-person instruction two days a week. ~~Structured Google Meets are scheduled throughout the day.~~ All students will receive instruction in the areas of Literacy and Math and a Specialist area. ~~on M/T/Th/F.~~ Time not spent in, in-person instruction ~~structured Google Meets,~~ will be spent working on independent activities within Google Classroom, ~~or Seesaw, Reflex Math and/or IXL.~~ ~~On Wednesdays,~~ ~~students will continue to work through independent activities and will have access to their classroom teachers during an hour-long office hour.~~ In addition on Wednesdays, students will have an opportunity to attend an office hour with their teacher, ~~will also be used to share virtual assemblies, social-emotional learning pretaped lessons and some optional activities for students~~ such as read alouds and other elective ~~type~~ activities.
