Policy 3207
Students

PROHIBITION OF HARASSMENT, INTIMIDATION, AND BULLYING

The board is committed to a safe and civil educational environment for all students, employees, parents/legal guardians, volunteers, and community members that is free from harassment, intimidation, or bullying.¹ As defined in legislation, "harassment, intimidation or bullying" means any intentional electronic, written, verbal or physical act including but not limited to, one shown to be motivated by any characteristic in RCW28A.640.010 and 28A.642.010, or other distinguishing characteristics, when the act:

- Physically harms a student or damages the student's property;
- Has the effect of substantially interfering with a student's education;
- Is so severe, persistent, or pervasive that it creates an intimidating or threatening educational environment; or
- Has the effect of substantially disrupting the orderly operation of the school.

Nothing in this section requires the affected student to actually possess a characteristic that is a basis for the harassment, intimidation or bullying.

"Other distinguishing characteristics" can include but are not limited to physical appearance, clothing or other apparel, socioeconomic status and weight.

"Intentional acts" refers to individual's choice to engage in the act rather than the ultimate impact of the act(s).

Behaviors/Expressions

This policy recognizes that "harassment," "intimidation," and "bullying" are separate but related behaviors. Each must be addressed appropriately. The accompanying procedure differentiates the three behaviors, however, this differentiation should not be considered part of the legal definition of these behaviors.

Harassment, intimidation, or bullying can take many forms including, but not limited to, slurs, rumors, jokes, innuendos, demeaning comments, drawings, cartoons, pranks, gestures, physical attacks, threats or other written, oral, physical or electronically transmitted messages or images.

This policy is not intended to prohibit expression of religious, philosophical or political views, provided that the expression does not substantially disrupt the educational environment. Many behaviors that do not rise to the level of harassment, intimidation, or bullying may still be prohibited by other district policies or building, classroom or program rules.

Training

This policy is a component of the district's responsibility to create and maintain a safe, civil, respectful and inclusive learning community and will be implemented in conjunction with comprehensive training of staff and volunteers. Specific training requirements are included in the accompanying procedures.

Prevention

The district will provide students with strategies aimed at preventing harassment, intimidation, and bullying. In its efforts to educate students, the district will seek partnerships with families, law enforcement, and other community agencies.

Interventions

Interventions will be designed to address the impact of harassment, intimidation, and bullying on the targeted student(s) and others impacted by the violation, to change the behavior of the aggressor, and to restore a positive school climate.

A. Introduction

The Stanwood Camano School District strives to provide students with optimal conditions for learning by maintaining a school environment where everyone is treated with respect and no one is physically or emotionally harmed.

In order to ensure respect and prevent harm, it is a violation of district policy for a student to be harassed, intimidated, or bullied by others in the school community, at school sponsored events, or when such actions create a substantial disruption to the educational process. The school community includes all students, school employees, school board members, contractors, unpaid volunteers, families, patrons and other visitors. Student(s) will not be harassed because of their race, color, religion, ancestry, national origin, gender, sexual orientation, gender expression, gender identity mental or physical disability, or other distinguishing characteristics.

Any school staff who observes, overhears, or otherwise witnesses harassment, intimidation, or bullying or to whom such actions have been reported must take prompt and appropriate action to stop the harassment, intimidation, or bullying, and to prevent its recurrence.

B. Definitions

Aggressor means a student, staff member, or other member of the school community who engages in the harassment, intimidation, or bullying of a student.

Harassment, intimidation, or bullying means an intentional electronic, written, verbal, or physical act that:

- Physically harms a student or damages the student's property;
- Has the effect of substantially interfering with a student's education;
- Is so severe, persistent, or pervasive that it creates an intimidating or threatening educational environment; or
- Has the effect of substantially disrupting the orderly operation of the school.

Conduct that is "substantially interfering with a student's education" will be determined by considering targeted student's grades, attendance, demeanor, interaction with peers, participation in activities, and other indicators.

Conduct that may rise to the level of harassment, intimidation, or bullying may take many forms, including, but not limited to slurs, rumors, jokes, innuendos, demeaning comments, drawings, cartoons, pranks, innuendos, physical attacks or threats, gestures, or acts relating to an individual or group whether electronic, written, oral or physically transmitted messages or images. There is no requirement that the targeted student actually possess the characteristic that is the basis for the harassment, intimidation, or bullying.

Retaliation occurs when an individual is intimidated, threatened, coerced, or discriminated against for reporting harassment, intimidation, or bullying, or participating in an investigation.
