

TO: Board of Directors

FROM: Robert Hascall, Executive Director of Special Services

SUBJECT: Professional Service Agreements and Contracts

DATE: September 6, 2022

TYPE: Action Required

The purpose of these service agreements and contracts is to provide appropriate educational support services for student(s) enrolled in the Stanwood-Camano School District.

1. Blue Water Behavioral Consulting, LLC; meets with district staff and observes students to provide recommendations for classroom environment, curriculum and instruction, and behavioral programming of students in special education.
2. Maxim Healthcare Staffing; provides behavioral technician services for student(s) in the district. This will reaffirm the prior approved agreement with the new rate schedule attached.

**Recommendation:**

We recommend the board move to approve the service agreements and contracts with the services providers listed above for the 2022-23 school year.
